Reporting the results of the  
Teacher Audit/Review Process

## Notes

1. From 2020 all SRE teachers are required to undergo an annual self-reflection questionnaire evaluation and lesson observation as part of their professional practise in schools. (See separate document Teacher Audit Process)
2. Rectors of Parishes will indicate on Section E (SRE) of the annual return to the diocese that lesson observations have taken place at either Primary or High school level.
3. A copy of the lesson observation pro-forma (See pages 7-9 Teacher Audit Process) will be sent to Maree at the registry along with the annual return by 31<sup>st</sup> March of that year.
4. Any training needs or other support identified in those returns will be copied to the Diocesan SRE Coordinator ([michaelaridge2@outlook.com](mailto:michaelaridge2@outlook.com)) who will address those needs with the specific SRE teacher involved.
